

Hidden Rivers Farm Donation Requests

A healthy community is a strong community, and we are proud to be a part of your community and Hidden Rivers Farm strives to support a variety of not-for-profit organizations. To help our giving have the most impact, we have included our guidelines below. We have two types of requests: produce donations and passes.

Please carefully read the guidelines for your requested type.

Guidelines for All Donations

- Requests must be made for a 501 (c)(3) organization with proof of status or a school
- Requests must be submitted to one of our Fun Crew members on the farm during normal business hours for approval.
- We do not provide cash donations, sponsorships, or any other non-Hidden Rivers Farm product donations.
- We prefer that donations will benefit the group financially or provide a learning component. We do not donate items solely for decorating.
- Please limit requests to one request per organization per year. Individual classrooms are not eligible, but requests may be made by the school.
- Keep in mind that while we evaluate each donation independently, due to the large number of requests most donations carry no more than a \$25-50 value. Unfortunately, not all requests can be fulfilled, and decisions will be left to the discretion of Hidden Rivers Farm. Past support of an organization or event does not guarantee future support.
- Hidden Rivers Farm will contact you if we are able to support your organization or event. If we do donate to your organization, we are unable to deliver or mail donations except for gift certificates, coupons and passes. A representative from your organization will need to pick up our donation during normal business hours.

Pumpkin Donations

- Availability is dependent on each year's crop inventory pending weather, pest, and economic situations. Due to harvest parameters we will NOT be able to fulfill requests until October 16th. If your event is before this date, we apologize for not being able to meet your needs. We offer a reduced rate option for charitable organizations needing produce prior to October 16th.
- Upon notification of approval, all donation pickups must be scheduled in advance of pickup and must occur on a weekday. Donations WILL NOT be delivered. Failure to pick up or claim a donation will eliminate future donation considerations.

Pass Donations

- A four pack of day passes may be requested for auctions or raffles, but not as door prizes. They must benefit the organization financially.
- If approved, passes will be mailed to the address on your form.

Hidden Rivers Farm Donation Request

Bring a completed form to Hidden Rivers Farm during normal business hours, 169 Goose Pond Road Hartselle, AL 35640
(telephone, email, fax, or online requests will not be accepted)

Name of Organization	Org. Address
Organization Phone	501 (c) (3) Tax ID or School Tax ID

Event Name	Event Date
What specifically would you like donated?	
<hr/> <hr/> <hr/> <hr/>	
How will the donation benefit the organization financially or provide an educational component?	
<hr/> <hr/> <hr/> <hr/>	

Help convince us how our donation could make a big impact.

If we had to choose only one organization to support this year, why should we choose your organization?
<hr/> <hr/> <hr/> <hr/>
If we could go above and beyond what you are asking for, what could make our donation even better?
<hr/> <hr/> <hr/> <hr/>
Please list any Hidden Rivers Farm staff past or present that will be involved with your event (if applicable).
